

And when Madonna, our Material girl, raised her hand like the ascender of an h, we all ascended to heaven.

## Ascender

You've been hit by a smooth criminal  
You've been hit by a smooth criminal  
You've been hit by a smooth criminal  
You've been hit by a smooth criminal  
You've been hit by a smooth criminal

## *italics*

If it weren't for Michael Jackson's stylish lean, we wouldn't witness the impossible italic l, "as smooth as a criminal"

When Prince passed away in 2016,  
raining Purple Rain on our Parades,  
his purple cloud guitar enclosed  
spaces in our hearts much like the  
counter of a 'd'

I only wanted to see you laugh in the purple rain  
I only wanted to see you dance in the purple rain  
I only wanted to see you laugh in the purple rain  
I only wanted to see you dance in the purple rain

## Vertex

Comparing himself to Elvis Presley, while dissing his own mother Debbie, and mocking all from the MTV to the FCC, Eminem hits the Vertex when raps Shady, "We need a little controversy Coz it feels so empty without me."

Standing tall like the Stem of a T, with her 7-ft Python despite her fear of snakes, Britney had us all slaves for her commitment to the gig.

You know my hips don't lie  
You know Spine hips don't lie

Did you know that the S in Spine stands for Shakira? Because when those hips sway, that Spine curves the curviest you'll ever see in an S  
It's true! Her hips don't lie.

You're gonna hear me roar

You're gonna hear me roar

You're gonna hear me roar

You're gonna hear me roar

You're gonna hear me roar

You're gonna hear me roar

Much like Katy's intense roar, her jungle themed top makes it too intense for us to look away, acting as a crossbar.

AY, BEYONCE BEYONCE, AY SHAKIRA SHAKIRA

When Beyonce and Shakira link arms into a ligature against a liar, there is no space for kerning and it is certain that he will be the one to cry.

## Eye

Adele's bun, unique like the Eye of an e, flows into her distinct silhouette with grace, like the italic ligature æ, where in the two letters flow into one.
